School Construction in Kiryandongo: Invitation to express Interest and present Qualifications

Global Refugee Initiatives (GRI) is a humanitarian Non-Governmental Organization registered in Uganda. GRI supports Refugees, Internally Displaced Persons (IDPs) and their Hosting communities under four thematic areas: - Education, Economic Empowerment, Access to Justice, and Health. The success of GRI's solutions is based on sustainability, that is derived from collaborating with project's participants to better prepare them for (re)integration into society.

Vision: To protect rights of all displaced people.

Mission: We seek to lessen the impact of armed conflicts, natural disasters, and displacement on our projects' participants through innovative and participatory approaches.

GRI will construct an **Early Childhood Development Centre (ECD)** and a **Primary School** for refugees and their hosting communities in **Kiryandongo Refugee Settlement**.

Therefore, GRI Uganda – KIRYANDONGO Programme invites interested companies (Class A4 and A5) to submit an Expression of Interest and their Qualifications for:

- Construction of nine classrooms, office space, storage, staff common room, library and ICT-centre;
- Construction of adequate pit latrines.

Companies interested in pre-qualification should submit the following documents:

- Expression of Interest;
- Certificate of Incorporation;
- Trading Licence;
- Track record: short description and contact details (reference persons) of school construction work (minimum of 3 school construction projects during the last 5 years);
- Evidence of UNABCEC membership.

Interested companies are requested to submit an **Expression of Interest** and an overview of their **Qualifications** before 18 February 2022 to the following e-mail address: info@gruganda.org
